## February Fun Drive

by Greg Hoch, Events Coordinator

This is to remind you all that we are having a fun drive this Saturday, February 22. We will gather at 10:30 am in the Sticky Fingers parking lot at Coastal Grand Mall. The drive will be approximately one hour and fifteen minutes and will end with lunch and prizes at the Land's End Restaurant in Georgetown.

This is a fun rally consisting of 20 questions to be answered during the 50 mile drive. The winning team will be the one that has the most correct answers on the sheet which will be handed out at the beginning. In the event of a tie, there will be a tie breaker question to be answered during lunch.

I urge those of you in the northern most areas to participate as we will design more of these events in the future to accommodate our more northern members (Tuck, John J., Skip, Ron,...).

The weather looks fine at the present, but we will hold this event unless it really turns ugly! I am looking forward to seeing you all on Saturday!

## How to Do an Ignition Tuneup

by Bill Unger, Editor

If you are still living with a car that operates with a points breaker ignition system, then you may want to refer to the attached pamphlet to get your car in running order for spring. This pamphlet was typical of what your local parts store handed out, courtesy of Standard Ignition parts, you remember ... those days before Googling for internet downloads. I used this simple weekly during the late '60's as a guide for tuning my 1958 Austin Healey 100-6 so that I could get to school and work.

## My View Through the Windscreen

by Jim Hendricks, President

Hello Grand Strand BCC Members,

We had a great turnout at the "Taste of the Marshwalk" show in Murrells Inlet. Thanks to Wade and Paula Nichols and the crew at Bovines and Wahoos! We had a great time!

Until next time, keep the shiny side up and the tops down.

Jim
