

# GSBCC Anniversary Meeting Minutes

February 20, 2021 @ 12:00 noon

Burky's Drive-In Restaurant, Myrtle Beach, by Bill Unger for Patsy Hoch,  
Secretary

Following December's peaceful transition of power, GSBCC's newly inaugurated President Dick Foltz called the February meeting to order at app. 12 noon. (NOTE: The originally scheduled meeting date of Feb. 13 had been rescheduled due to inclement weather as the Anniversary is always promoted as a casual show event.) Thirty six members and guests (not counting the Queen Mum), some with rollup windows and heat in their cars (Healeys, Jaguars, MGBs), some without (Bugeyes and TR3s), were in attendance. Dick thanked everyone for coming and reviewed plans for more new venues this year, especially Horry Co. parks, for the Saturday meetings to encourage driving our cars while responsibly social distancing *en plein air*. Jenn Zangara and Larry Holloway again have offered their ranch for a venue in April or May.

Vice President Warren Bender (in a Miata!) reviewed the cancellation and continuance of regional car shows for the coming months.

Membership Chairman Greg Hoch provided a membership report indicating that the club now has 200 members. Several recently new members were acknowledged.

There was no Treasurer's report.

Newsletter Editor Bill Unger encouraged submission of personal experience and technical articles for publication. You may get lucky and have it reprinted in a national publication such as happened to Dan Ferris.

Social Media Editor Felicia Sachs gave a report on the latest developments with GSBCC's Facebook page.

The meeting ended app. 12:30 pm so that the membership could purchase hot coffee and hamburgers while perusing British iron in the parking lot and catching up on has gotten their COVID vaccinations.
